

HND

Hospitality Management (Top up)

made in London

The Higher National Diploma in Hospitality Management is a higher education qualification that may facilitate a career in the hospitality industry. This course will provide opportunities for learners to focus on the development of higher-level skills in a hospitality management context.

Some of these skills include: employability, team work, critical thinking, project management as well as investigatory and research skills within the context of hospitality.

"LCCA is a great place to study and improve your skills. The best advice given to me by my tutors is to keep practising. Never give up and you will reach your full potential."

Petya Petrova

Who is this course for?

Individuals wanting to continue their education and/or wish to advance their career in hospitality.

Why take this course?

This course enables individuals to obtain knowledge of the hospitality industry and further provides opportunities for learners to develop a range of skills, techniques and attributes essential for successful performance in working life within the hospitality industry.

What will I experience?

With clearly defined routes of progression, each student will be taught a rigorous curriculum in association with local and national industry partners. Successful students may choose to progress on to the final year of a BA Hospitality degree in the form of a top up course.

Learning outcomes

- Knowledge and understanding of the fundamental principles and practices of the contemporary hospitality business environment
- Understanding and gaining insight into different hospitality sectors, their diverse nature, purposes, structures, operations and boundaries
- An ability to apply the theories and concepts underpinning consumer behaviour within the hospitality context
- An appreciation of the concepts and principles of CPD, staff development, leadership and reflective practice as methods and strategies for personal and professional development
- Communicate confidently and effectively, both orally and in writing, both internally and externally with businesses and other stakeholders
- Develop your analytical and problem-solving skills

*Please note that learnings outcomes listed here are a sample of a wider list of outcomes

Progression

You can progress onto the final year of a degree programme upon completion of your HND (level 5). Alternatively, you can move into work in a supervisory or the junior management position within hospitality, the licence trade, food and beverages or leisure and tourism industry (based on your previous work experience). You could also join a management training programme with a large international hospitality provider.
